### **Notice of Posting of Non-Operating Income (foreign currency exchange gain)**

ROHM Co., Ltd. hereby announces posting of non-operating income (foreign currency exchange gain) in the first nine months of the year ending March 31, 2013 (April 1, 2012 to December 31, 2012).

#### **1. Posting of Non-Operating Income**

Due to the drastic fluctuation of the exchange rate, the Company posted a foreign currency exchange gain of 8,098 million yen as a non-operating income during the third quarter of the year ending March 31, 2013 (October 1, 2012 to December 31, 2012). The Company posted a foreign currency exchange gain of 4,311 million yen as a non-operating income in the first nine months of the year ending March 31, 2013 (April 1, 2012 to December 31, 2012), because it had posted a foreign currency exchange loss of 3,786 million yen in the first six month of the year ending March 31, 2013 (April 1, 2012 to September 30, 2012).

This occurred due to the settlement of debts and credits as well as valuation on assets of the Company denominated in foreign currency by the exchange rates during and at the end of the third quarter period. The amount will fluctuate according to the future situation of the foreign exchange market.

#### **2. Impact on the Business Results**

Please refer to the “Financial Highlights for the First Nine Months of the Year Ending March 31, 2013” released on February 6, 2013 regarding the impact of the posting of foreign currency exchange gain on the business results.
