ROHM Virtual Patent Marking List

ROHM's and its subsidiaries' products ("ROHM Products") are protected by one or more listed patents in the United States and elsewhere. This patent list is provided to satisfy the virtual patent marking provisions of the America Invents Act and to further serve as notice under 35 U.S.C. §287(a). This patent list does not waive any legal rights or remedies of the patentee(s) and should not be used for any purpose other than the patent marking under 35 U.S.C. § 287(a).

The following list of products and patents may be non-exhaustive and the status of the patents may change at any time. ROHM Products listed here may be protected, in the United States and elsewhere, by listed patents and patent applications as part of patent families of the listed patents, and also may be protected by non-listed patents and patent applications. Any ROHM Products not listed here may be protected by one or more patents in the United States and elsewhere.
